**Hindustan Copper inaugurates Centralized Induction Program for  
MT - 2017 batch**

Kolkata, 04.10.2017

Hindustan Copper Limited inaugurated its 10-day long Central Induction Programme for the newly recruited 38 Management Trainees in both Technical and Administration streams on 04.10.2017 at the Lake Land Country Club, Kolkata.

The session was chaired by Shri Santosh Sharma, CMD, HCL, in the presence of Shri Anupam Anand, Director (Personnel), Shri S K Bhattacharya, Director (Mining) and other senior officials.

Welcoming the budding professionals to the Copper Family, the Functional Directors congratulated them for selecting HCL as their employer. They further briefed them on the best practices that are to be followed which will pave their way to collective growth and success.

*Shri Santosh Sharma, CMD, HCL, Shri Anupam Anand, Director (Personnel), Shri S K Bhattacharya, Director (Mining), Shri A K Basu, eminent trainers and other officials along with the newly-recruiter trainees.*

This was further followed by an interactive session with all Functional Directors and Senior Officials wherein a general orientation was given to the MTs and a brief summary given to them on the road ahead at HCL, emanating from the extensive eleven days Induction Program.

The program schedule of Induction Programme is extensive and designed to provide the newcomers with a fair amount of learning about the organization, its systems and ethos along with theoretical and experiential learning in all the facets of functional management streams that would prepare them to effectively discharge their duties as managers. Galaxy of facilitators have been identified for the programme both from HCL and from Organisations of repute considering their experience and knowledge in the respective professional field.
