

## **SAMANVAY - Sort your business priorities an easy way**

Useful and important knowledge already exists in your business. It can be found in:

- the experience of your employees
- the designs and processes for your goods and services
- your files of documents (whether held digitally, on paper or both)
- your plans for future activities, such as ideas for new products of services

The challenge is harnessing this knowledge in a coherent and productive way.

**Let Samanvay help you to meet these challenges.**
