Greetings from Hindustan Copper Limited (HCL)

The Government of India has announced measures to strengthen the Trade Receivable Discounting System (TReDS) platform, which would enable micro, small and medium enterprises (MSMEs) to discount their receivables. This system has introduced to address the issue of delayed payments to MSMEs.

Pleasure to inform you that we have tied-up with "A TReDS Ltd (Subsidiary of Axis Bank)" to provide more liquidity to our valued suppliers by discounting invoices raised by our MSME suppliers in favour of HCL.

The registration of vendors in 'A TReDS Ltd' enables our MSME suppliers to receive quick payments towards their accepted invoices.

As a valued and long-standing supplier of HCL, we have identified you to avail benefits under this arrangement. Further, we inform you that there is no cost for first 20 suppliers to register on this platform.

We advise you to register yourselves on A TReDS platform immediately and confirm us at the earliest.
