MTA seminar on “Deep Mining Solutions for a Sustainable Future” – Transforming Malanjkhanda Copper Mines

Malanjkhanda, 29th April, 2023

A National Seminar on “Deep Mining Solutions for a Sustainable Future” was organized under the aegis of the Malanjkhanda Technical Association, a professional body of Malanjkhanda Copper Project (in Madhya Pradesh) on 29th April 2023. The Event was attended by more than 200 participants including many scientists, mining experts, and academicians. Ten well-researched papers on the said topic were presented in this seminar by various authors and experts in their respective fields.

Shri Arun Kumar Shukla, CMD HCL, lighting the ceremonial lamp inaugurating the MTA National Seminar on 29th April 2023

The Seminar was inaugurated by Sri Arun Kumar Shukla, CMD, Hindustan Copper Limited. Shri Shukla in his Keynote Address said the topic of the seminar was very relevant in the present-day mining ecosystem. As the Malanjkhanda Copper Mine is getting transformed from an open-cast to an underground mine, it is vital to understand the challenges of underground mining and find solutions

to them. While the availability of metal is dwindling these days, proper and optimum Beneficiation of Metal Ore is the need of the hour.

Shri Sanjiv Kumar Singh, Director (Mining), discussed the Malanjkhand Copper Project and its expansion program and stressed the need to use modern technology to overcome the challenges of deep mining.

Shri Ghanshyam Sharma, Director (Fin) highlighted the contribution of the Malanjkhand Copper Project in particular and Hindustan Copper Limited in general to the national interest.

At the National Seminar on “Deep Mining Solutions for a Sustainable Future” organized under the aegis of the Malanjkhand Technical Association

Shri Nagesh Shenoy, General Manager of MCP and Chairman – Malanjkhand Technical Association in his Welcome Speech, narrated the glorious history and journey of the Malanjkhand Copper Project. He was hopeful enough that the Malanjkhand Copper Project would maintain its performance in Ore production in the coming years owing to its underground mining initiative.

The Inaugural Session commenced with the lighting of a ceremonial lamp by the Chief Guest Shri Arun Kumar Shukla, and other VIPs including Shri Ghanshyam

Sharma, Director (Fin), Shri Sanjiv Kumar Singh, Director (Mining), Independent Director Mr. Avinash J C Bhide and Mrs. Hemlata Verma, Shri Nagesh Shenoy, GM, MCP.

Shri Arun Kumar Shukla released an e-Souvenir on this occasion.

Shri Nagesh Shenoy addressing the seminar

The programme was initiated by invoking the almighty with a rendition of a prayer song by children of DAV-HCL Public School Malanjkhanda which was followed by a beautiful Welcome Song.

The Independent Directors of the HCL Board Mr. Avinash J C Bhide and Mrs. Hemlata Verma were also present at this occasion.

Besides, the programme was graced by the presence of the first lady of Hindustan Copper Limited, Dr. Mrs. Anita Shukla, Mrs. Ritu Sharma, Mrs. Rekha Singh; President, Malanjkhanda Ladies Club, Mrs. Nirupama Shenoy. BKMS President Shri G N Rajawat, other Senior Officials, and HODs of HCL/MCP were also present at this Seminar.
